It is of importance that in obedience to your ministerial covenant, you are committed to regular giving in support of your ecclesiastical covering. We ask at this time that you commit to a level of regular giving that we may have the information required to establish our annual budget.

To help you understand the general standards for this we offer the following:
A Pastor of a church will tithe to his church and in turn the church will tithe to the covering conference which has chartered the church. Therefore the Pastor is submitting at least 1% of his annual income to his ordaining body or covering. We do not demand a set level of giving required but rather ask that our ministers give as the Lord leads them to give. Let this be your guide in giving to UCMI.

What level of regular giving are you led to commit to in covenant for the coming year?

I commit and avow to \$_____ per month in regular giving. (Ecc. 5:4-5)

We request at this time that you enclose an annual gift to your ministry covering. This gift is important and is used for the future work (expansion) we have been led to develop for ministries/ministers of UCMI. (A tax deductible receipt will be given)
